

NAAN MUDHALVAN

Project Title: Script-Controlled ACL - Restrict Record Access Based on Field Value

Team ID: SWTID-2026-9038

Team size: 4

Team Leader Name: Kumutha K

Team Member: Siva Dharshini R, Jasmin M, Vayshvani S

Milestone 1: Creation of Users and Roles

Activity 1: Users Creation

1. Log in to the ServiceNow instance with admin access.
2. Create a test user:
 - Navigate to User Administration → Users

- Click New
- User ID: EEE User
- First name: EEE
- Last name: User
- Email: eeeuser@gmail.com
- Save the record

The screenshot shows the ServiceNow User Administration form for a user named 'User EEE User'. The form is divided into two main sections. The left section contains fields for User ID (EEEUser), First name (EEE), Last name (User), Title, Department, Location, Password needs reset, Locked out, Active, and Internal Integration User. The right section contains fields for Email (eeeuser@gmail.com), Identity type (Human), Language (-- None --), Calendar integration (Outlook), Time zone (System (Asia/Kolkata)), Date format (System (yyyy-MM-dd)), Business phone, and Mobile phone. The 'Update' button is highlighted with a red box.

Activity 2: Roles Creation

1. Navigate to User Administration → Roles

2. Click New

- Name: Enter role name as bb1
- Description: Brief role purpose
- Click Submit
- Create other roles also like bb2, bb3, bb4. (follow the same procedure)
- Assign all the roles to the EEE User

The screenshot shows a web interface for configuring a role. At the top, there is a header bar with a back arrow, a menu icon, the text 'Role BB1', and several icons (edit, help, list, etc.) followed by 'Update' and 'Delete' buttons. Below the header, the form contains the following fields:

- Name:** A text input field containing 'BB1', which is highlighted with a red rectangle.
- Application:** A dropdown menu set to 'Global'.
- Elevated privilege:** A checkbox that is currently unchecked.
- Description:** A large text area for entering the role's purpose.

At the bottom of the form, there are 'Update' and 'Delete' buttons. The 'Update' button is highlighted with a red rectangle. Below the buttons, there is a link that says 'SN Utils | Versions (1)'.
